Jerry presented the outcome from our Executive Board meeting, giving details on the 2011 Western Reserve Division Budget.

As most of you know you received a new ID from the Board of Building Standards. This was instituted to save confusion with Certification Holders with multiple disciplines. I for one am glad this was instituted. One number now covers all.

You will be seeing two course numbers on your Certificates. One is Allen's Number the other is mine. My registration number is good for CBO<MPE<EPE<ESI<RBO<PRE and
Before you ask
NO you only get 2 CEUs

I have my registration good through the summer break. For those who need CEUs we will be willing to forgo the summer break and continue our meetings through the year,
